

Housing Opportunity for KTSSM Students for 2011/2012

LANDLORDS: There are several things to consider before becoming a landlord:

- Consider that renters have a key to your home and will be coming and going at various hours.
- Are there kitchen and laundry privileges? Is there a separate area for their food storage?
- Is there car parking?
- Consider you are agreeing to a 9 month commitment for Sept 27, 2011 to June 8, 2012.
- Are you ok with renter having friends over; what about holidays?
- Are there expected chores?
- Do you want to ask for a cleaning deposit?

These are some of the things for you to consider and discuss with a potential renter. The more you discuss ahead of time, the better for everyone.
