

Kingdom Training School of Supernatural Ministries

Vision & Purpose

The vision of Blazing Fire's Kingdom Training School of Supernatural Ministry (KTSSM) is to build up and equip sons and daughters to release the Kingdom of Heaven here on earth in signs, wonders and miracles as they walk out their destiny in love!

KTSSM is designed specifically for on-fire followers of Jesus who want to have a life that matters as warriors of the King, being used by Him to transform the world one heart at a time! We will equip and train you to see the Kingdom of God come here on earth just as it is in heaven!

KTSSM is under the authority of Blazing Fire Church, whose vision is: "We are passionate lovers of God who are joyfully experiencing His goodness, Fueling grace-based regional transformation as a Kingdom equipping resource center, and sending people to change the world!" Blazing Fire Church is under the authority of Bethel Church in Redding, CA, whose mission is: "Revival—The personal, regional and global expansion of God's Kingdom through His manifest presence.

The Kingdom Culture

We operate in a Kingdom culture of grace, honor and love! We will be imparting the unique and life-transforming core values of Blazing Fire that are truly revolutionary. Once you know to the core of your being the depth of the Father's love for you, the absolute finished work of Jesus on the cross for you and the full inheritance that has been given to you in the person of the Holy Spirit, you will live in the "No-impossibilities zone" of the Kingdom! We also experience tremendous joy & laughter along the way, so expect to have plenty of fun as you grow!

Staff & Academic Overview

Our staff is made up of elders, and leaders at Blazing Fire Church. The Director of KTSSM is Lonnie Ellis who also serves as an Elder and Associate Pastor at Blazing Fire Church. The overseeing Sr. Pastor of the school is Brent Lokker, founding and senior pastor of Blazing Fire Church. Throughout the year we will have guest speakers come to teach and impart to the students. We will also, at times, be using video curriculum from Bethel's School of Supernatural ministry with such teachers at Bill Johnson, Kris Vallotton & Danny Silk.

The classes will focus on experiencing the Father's love, walking like Jesus, fellowshiping with Holy Spirit, full access to supernatural encounters, freedom from bondage & past traumas, exploring passionate worship & the arts, intercession that moves the heart of God, Bible overview & study methods, prophetic skills & ministry, healing prayer, gifts of the Spirit, preaching & public speaking, discovering your destiny, celebrating God's generals in past revivals & much, much more.

We believe in making learning as experiential as possible. This means that in addition to instruction, there will be ample opportunities for group discussions, small group experiences, and hands-on practicing of what is being taught—including out on the streets! We provide a safe atmosphere where stepping out to take risks and even making mistakes at times is part of the intended process of your learning.

Because intimacy with the Lord is the key to everything you truly desire, engaging in worshipping the Lord together will be an extremely important part of the school.

In addition to the Bible, you will read and discuss several books throughout the school year. The cost of these books is included in your tuition.

For those students who desire to continue past the first year, we will have a second year program added to the 2012-2013 school year of KTSSM.

Are YOU supposed to be with us?

We are living in the most exciting time in history! God is revealing more of His heart than ever before and longing to partner with his sons and daughters to see His Kingdom break forth. We are serious about raising up world-class leaders who will truly make their mark on the world for the cause of Christ. Please ask God if you are to be one of those to attend KTSSM and soar higher than you ever thought possible. One of our core values is that we do not make decisions based on lack. Do not think about limitations, but rather focus on the heart of God for you and ask if the next stepping stones of your journey are to take you through Blazing Fire's Kingdom Training School of Ministry. We are waiting to help lift and launch you into your God-appointed destiny!
